### **TAIFEX to Host the 28th AFM Annual Conference in Taipei**

---

Taiwan Futures Exchange (TAIFEX) and the Association of Futures Markets (AFM) will jointly host the 28th AFM Annual Conference on June 4–5, 2026, at the Taipei Marriott Hotel. The conference will bring together representatives from exchanges, financial institutions, market infrastructure and tech providers across Asia, Europe, America and Africa to exchange insights on the evolving global derivatives landscape and strengthen international industry collaboration.

Through panel discussions and keynote presentations, the conference will explore topics including growth opportunities in Asia's futures markets, advancements in collateral management and clearing, rising retail participation and the effects of extended trading hours on liquidity and market efficiency. The panel sessions will examine how artificial intelligence and next-generation trading infrastructure are reshaping market operations and risk management. Panelists will further address the implications of geopolitical developments and climate-related risks for global derivatives markets; as well as the growing role of tokenized real-world assets and other emerging products in market innovation.
